Preassembled system includes an automatic sump pump, check valve and a compact basin.

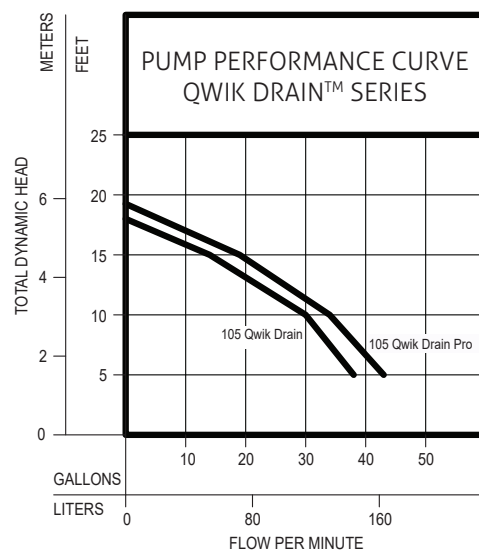

# Qwik Drain™ Series Low Profile, Residential Drain Pump Systems

Qwik Drain™ Series drain pumps are budget friendly, convenient solutions for gray water removal from tight areas! The perfect solution for water removal from a basement kitchen, a pool house, or a utility sink. Make your wet bar, coffee island, outdoor kitchen or lavatory more versatile even without traditional gravity plumbing with the Qwik Drain!

For more information, see Technical Data Sheet FM3422.
