

# Qwik Alarm<sup>™</sup>

## High-Water Qwik Alarm

### PROTECT YOUR INVESTMENT!

2 volume, battery powered alarm for bathroom installation  
with Qwik Jon<sup>®</sup> Premier and Qwik Drain<sup>™</sup> Series

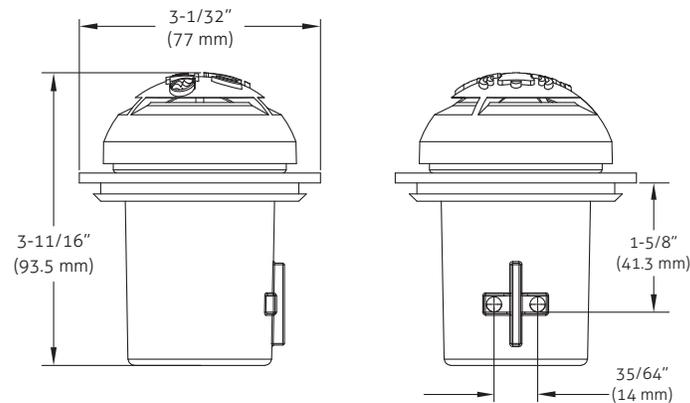

**Zoeller Family of Water Solutions<sup>™</sup>**

Copyright Zoeller Co. All rights reserved.

**Standard (10-5090) for use on the Qwik Drain™ Series or Qwik Jon® Premier where a separate vent is used.**

**Features and Benefits:**

- An audible alarm that alerts when the tank water level is high
- Convenient snap-fit cover provides easy access to alarm settings and the battery compartment
- Smooth white polypropylene case that is easy to clean
- Preassembled alarm and seal for quick and easy installation
- Low profile, compact design blends in well in a bathroom setting
- IPX8 rated device that can withstand periods of total immersion, so it is ideal for damp areas

***Install in a bathroom anywhere***
